Spring Test Date: Saturday, March 21, 2020

The HSK test is a standardized exam used to determine the proficiency of Chinese language skills. The HSK test (hanyu shuiping kaoshi) is a written test to evaluate reading and writing proficiency levels.

This test is designed for people whose first language is not Mandarin Chinese and will be offered in internet-based format on site.

Test Location: East Building 129
George Mason University Fairfax Campus

Registration: Online registration opens Jan. 17, 2020 and closes Mar. 10, 2020 for this internet-based test

Optional Orientation: Tue, March 10, 2020 3:30-4:30pm
East Building, Room 129
George Mason University Fairfax Campus
